Tenax læder farve 150ml spray - Saphir

Model/Varenr.: 0116-0823

Pris fra 128,00 DKK (inkl. moms)

To recolour or to change the colour of all types of smooth leather. Available in numerous shades. Can be used for the heels. Remarks:

- Better hold after stripping with Stripper Saphir.
- Avoid on leather which is subject to important pressure (the leather on which you sit, for example).
- Do not use on suede!
- Average use approx. 200 ml per seat and per coat, or 300 ml for a medium-size coat.
- Attention: this dye is very colouring! Protect your hands with the Latex Gloves below.
- Can also be used on imitation leather and PVC.
- To choose a colour, click on the painter's palette below or order the colour chart "leather for shoes".
